**Description**

Sheba is a good all-round 57' trad-style liveaboard narrowboat, built by the highly regarded Stoke-On-Trent Boat Builders in 1990. The joinery of the vessel is very traditional and of a good quality, from the well deck you enter the saloon area which has a Bubble Stove situated at the galley end of the saloon. The galley is of a good size with bespoke built units. The bathroom is off corridor and has a pumpout toilet, sink in vanity unit and shower cubicle. The boat has a mid engine room with a recent (2023) Nanni diesel boxed in and is quiet when underway. Next is the bedroom with a fixed double with storage under, wardrobes and 2 cupboards. At the stern is a short boatmans cabin. Complete with bowthruster (untested), electrical management system with Solar panels, central heating, hot water calorifier, shower, fridge & solid fuel stove. Her boat safety expires in 2028 and the boat will be blacked prior to sale. For more information, please call our office on 01405 816992
