

## SOLD Seamaster - 30 High Line

£ 9,995

### Description

**\*\*SOLD\*\*** Reduced for a quick sale, this 1979 Seamaster 30 High Line is powered by twin 54hp Thorneycroft Diesels. Having been owned by her current owners for 30 years, this great family boat offers a spacious escape for weeks away on the water. Having 6 berths across 3 cabins, she has a large cockpit giving a huge amount of useable space. Requiring some cosmetic modernisation and work to engine mounts and stern gear, this is a typical Seamaster 30 layout with her well-built superstructure, and generous layout. She is well equipped and comes with some (untested) navigation equipment along with lots of the usual boating essentials. This is sold as a project boat but would not require extensive works to get her back onto the water. Located at Staniland Marina in Thorne, she is available for viewing during our opening times. Call us on 01405 816992 for further information.
