

SOLD Colecraft - 50

£ 22,995

Description

SOLD This 1990 50' Colecraft is powered by a 1.8 BMC Diesel engine and will be a great value narrowboat to get onto the network. Her BSS is valid until July 2024 and she requires some cosmetic attention both inside and out. Hence the price. She is up and running and ready to go with minor attention. She requires some small repairs to her exhaust and would benefit with replacement batteries but starts and runs A1. She has recently had a hull survey which reports her steelwork in good condition, her work is mainly cosmetic. (Unfortunately we are unable to offer sight of the survey but the surveyor verbally confirmed conditions) Currently located in Thorne where a leisure mooring may be available, please call our office on 01405 8169920 or send us a message for more information.
