

Seamaster - 27

£ 3,999

Description

This is a 1970's Seamaster 27 with a single Thorneycroft Diesel inboard engine. Currently out of the water, she can be launched FOC into the water or onto transport. The only requirement is that it has to be taken away within 4 weeks of sale. Good points: The boat floats, runs and drives. (We will make sure it starts and runs!) It is actually quite watertight above the waterline. There are a few leaks to be looked at but overall it isn't bad! The main structure of the boat is sound The flooring bearers in the cockpit are good Bad Points Needs a lot of work! Pretty much the whole interior needs attention Canopy is wrecked and requires replacing Needs batteries Needs a cockpit floor The boat is a general mess. It has not been underwater or anything but does need a lot of attention. It is currently located at Boroughbridge Marina, YO51 9GF and viewing is available Monday to Saturday 9-4
